

THE MAYA

5

Remaining in the Rainforest, we will be focusing on 'The Maya.' The Mayans were/are a tribe, based in the Mexican Rainforest, who are incredibly well known for many things! This unit we will be learning all about their fascinating history, rituals and ways of life!

Key Maths Learning

Statistics
Multiplication and Division
Area and Perimeter
Times tables
Arithmetic and Mental
Maths Skills

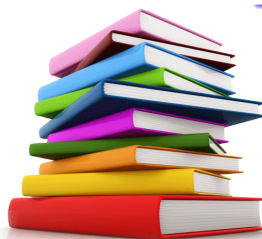

PE lessons run by Nick are on Friday. Please make sure children come appropriately dressed for outdoor PE during these cooler months. Indoor PE is on a Wednesday when children will need shorts and a T shirt (this can be worn underneath other clothing)

SCIENCE THIS TERM IS FOCUSSED ON FORCES. WE WILL LOOK AT GRAVITY, AIR RESISTANCE, WATER RESISTANCE AND FRICTION. THIS TOPIC WILL INCLUDE AN EXCITING TRIP TO THE SILVERSTONE INTERACTIVE MUSEUM!

Challenge:

The Mayans developed their own version of the calendar - but when did they predict the world would end?

What materials did 'The Maya' traditionally use to make/build instruments?

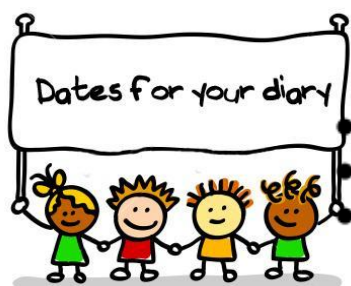

continue to go out on a Thursday and will be due a Tuesday. Thank you for ongoing support.

In writing, we will continue to focus on correct use of punctuation. Children will be extending their knowledge of the range of punctuation available and begin to use parenthesis to add detail to their work.

Dates for your diary

1st November - Return to School
24th November - Silverstone trip
17th December - Break up for Christmas
