

Walk like an Egyptian 2

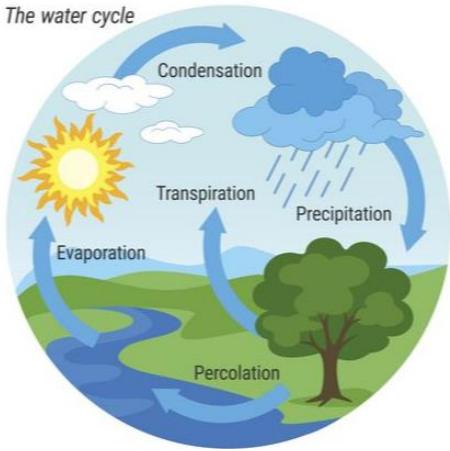

Our Class Books will continue this half term with authors such as Emma Carroll and Onjali Q. Rauf being looked at.

In writing sessions, we will be looking at writing a non-chronological report and a story based upon a wordless text.

Key Maths Knowledge:

- What is a fraction?
- Equivalent fractions/fraction families
- Adding and subtracting fractions with the same denominator
- Tenths and hundredths
- Decimal equivalents

The water cycle

Homework will go out on a Thursday and will be due in on a Tuesday.

Library Sessions are on a Monday for Miss Mack and Tuesday for Miss Burgess.

P.E lessons run by Nick are on a Thursday and Dance lessons for both classes are on a Friday.

Our key Science knowledge this term will be exploring the three different states of matter and 'The Water Cycle' on Earth. Within this unit, we will know the meaning of key vocabulary such as: evaporation, condensation, precipitation and collection.

DID YOU KNOW?

There is a chance we are drinking the same water that the dinosaurs were drinking 65 million years ago!

This term, we will be continuing our Egyptian topic.

Our key history knowledge will be:

- To know about Egyptian hieroglyphics
- To know about Howard Carter and his discovery of Tutankhamun's tomb.

D.T Knowledge/Skills:

Linked to our history topic, we will also be designing, constructing and evaluating our very own canopic jars, learning how to create an armature and use Modroc. We will be selecting different materials to use and ensuring our project is fit for a specific purpose and adheres to a design criteria.

Challenge:

Can you write your name in hieroglyphics?

Wednesday 9th March

An Egyptologist from 'Portals to the Past' will be visiting our school to do an all-day Egyptian Workshop. On this day, the children are invited to come dressed as an Egyptian if they wish to!
