

This half term, we will be looking at features of newspaper reports, before beginning to draft, edit and write our own. The subject will be based on our science learning about the impact of changing environments and the potential posed dangers to living things.

### Key Maths Knowledge

- \*Decimal equivalents ( $\frac{1}{2}$ ,  $\frac{3}{4}$  and  $\frac{1}{4}$ )
- \*Tenths and hundredths
- \*Comparing, ordering and rounding decimals
- \*Decimals in a real-life context (Money)
- \*Dividing by 10 and 100

### Key Geography Knowledge:

- \*Locate Eastern Europe on a map and name some of the countries.
- \*Understand the difference between a Baltic and a Balkan country
- \*Compare and contrast physical features of Russia to the UK
- \*Know the tallest mountain in Europe is Mt. Elbrus
- \*Compare and contrast human features of Russia to the UK

Homework goes out on a Thursday and is due in on a Tuesday.

P.E lessons run by Nick are on a Thursday.

\*\*There will be no class PE sessions this term as the children are going swimming. \*\*

### Key Science Knowledge:

- Recognising that living things can be grouped in a variety of ways
- Use classification keys to group, identify and name a variety of living things
- Recognise that environments can change and this can sometimes pose dangers to living things.

Using a combination of Art and D.T skills, we will be learning how to sew, using a range of decorative stitches to make our own endangered animal toy.

We will research existing designs, looking specifically at animals on the WWF endangered animals list, whilst creating design criteria, fitting with the product design brief.

**FOR  
YOUR  
WORLD**

Swimming lessons at Bletchley Leisure Centre begin for both classes on Friday 29<sup>th</sup> April 2022. Please ensure your child comes with a towel, goggles (if required) and a swimming hat.
